Hi guys! Hope you're having a great summer. I wanted to let you know that we (Laura Leigh Oyler from RAI Services and I) had a great call today with Brian Coughlin from Los Angeles Youth Network about Youth Tobacco Prevention educational programs/materials. Thank you again for the introduction!

Brian asked Laura Leigh to send over the free materials, which they will incorporate into their educational program. In addition, RAI Services is going to make a \$5,000 donation to LAYN.

We wanted to give the Councilman the opportunity to present LAYN with the donation, whether at a private meeting or Council Presentation for Los Angeles Youth Network. Thoughts?

Veronica
